BENEFITS OF BULK OIL

- ***Save money** - buying bulk costs less than buying several drums at once. You'll see the savings immediately.
- ***Maintenance will be simpler** - using a tank is a lot faster and easier than dealing with drums. Not only will you be more organized, you'll be able to control inventory since the tank is easier to meter.
- ***Less waste** - fewer containers make bulk oil an environmentally-friendly option. You also won't have to deal with the stress of empty containers scattered all over your shop.

ONE ENGINE OIL

ON THE FARM. IN THE FIELD.
ON THE HIGHWAY.

ONE ENGINE OIL FOR ALL.

Not everybody realizes it, but it takes a special breed of oil to keep engines running in off-road conditions. In fact, it takes John Deere Plus-50™ II Engine Oil. That's because Plus-50 II is specially formulated to keep engines running smoothly and efficiently in extreme off-road conditions. Tractors. UVs. Trucks. You name it. Off the road? No problem. On the highway? You betcha. Let John Deere Plus-50 II Engine Oil be the one oil on your farm.
